The Opportunity

Project Manager

One-Year Term

Ulnooweg is looking for you!

Ulnooweg Education Centre is seeking a capable Project Manager experienced in managing a team of 5+ individuals within the tech space and familiar with Agile project management methodologies.

THE OPPORTUNITY

As the Project Manager, you collaborate with prospective users and clients to understand and anticipate their needs and translate them into product requirements. You will create a road map based on this vision. You will manage any backlog and prioritize based on changing requirements. By monitoring and evaluating product progress at each stage of the process you develop user stories.

QUALIFICATIONS

- Experience in Indigenous-led workspaces
- 2+ years of experience in a PM capacity, preferably in a Software Development environment
- A pro when it comes to fostering strong relationships with others. From the proposal stage right through to project completion
- Leadership and people management skills
- Strong organization and time management skills
- Experience in managing development workflow and task assignments, overseeing resources, and managing and monitoring employee utilization across resources and projects
- Knowledge of Agile project management methodologies with experience working in modified project management environments
- Ability to effectively coordinate between cross-disciplinary team members, whether on-site or remote, and ensure project success
- Experience facilitating work estimates, statement of works, drafting proposal responses, and generally supporting the business development function
- Familiarity working with other project managers to share and leverage resources to achieve business results
